November 17, 2014

It is with mixed emotions that the partners of Family HealthCare announce that Dr. Jesse Sadikman will be leaving the practice effective December 31, 2014. We have been honored and privileged to have had the opportunity to work with Dr. Sadikman for these past 11 ½ years, and are appreciative of the contributions towards the growth of our practice, as well as his outstanding patient care.

Dr. Sadikman will be exploring other opportunities in physician leadership and clinical integration, and will continue to have a clinical presence in the community. While we are saddened by his pending departure, we are certain that his talents will guide him to success in his future endeavors, and we wish him all the best.

We also remain forever grateful for the unprecedented confidence and loyalty of our patients, and we remain committed to providing the highest quality of comprehensive and compassionate patient centered care to all of you.

Sincerely,

Monica Howard, Managing Partner
